INTRODUCTION

Our speaker today has been working with students for nearly a decade. He has spoken to over 100,000 students in 40 different states. He is the author of the student book *Reality Check* and is passionate about helping students prepare for life after high school. As much as he loves speaking, his favorite roles are being a father and a husband.

Today, he travels the country speaking to thousands of students in conferences, conventions, school assemblies, and other youth events. But ultimately, he wants to grow up to be like Chuck Norris.
