

MEMORANDUM

TO: Whom It May Concern

FROM: Jen Staley, Student Leadership Development Specialist

SUBJECT: Grant Baldwin Recommendation

DATE: May 14, 2009

On behalf of the students of Indiana HOSA, we would like to recommend Grant Baldwin to speak at your next event. Grant spoke to 400 students and advisors at the Indiana HOSA State Leadership Conference. His presentation empowered students to make no excuses, all while the students were laughing hysterically and hanging on every word of Grant's presentation.

We were very pleased with the talk and would be delighted to have him back in the future. I was very impressed with the feedback the students personally wrote after the presentation:

- "I felt like I was going to pee my pants." (Editorial: I hope she meant that in a good way!)
- "He makes sensitive subjects that are hard to talk about easier."
- "His stories are relatable to many students."
- "Grant was awesome. He was very, very funny and inspirational. He is a fantastic speaker and all of my classmates that attended SLC thought he was amazing. I would definitely recommend Grant Baldwin for any event."
