

It is an honor to write a recommendation for speaker Grant Baldwin. Grant Baldwin is an amazing speaker who had the ability to connect with our student leaders. Grant was invited to be our keynote and to lead a workshop for Youth With Vision, a nationally recognized youth advocacy organization based in the Kansas City area. Grant's enthusiasm and participation helped motivate the kids and started our weekend off on the right foot!

I highly recommend Grant Baldwin to speak to any group of students. He has the skill to share a passion and power with the kids that motivates them to succeed in any aspect of life they choose. Grant had an excellent keynote presentation as well as workshop that tied into what Youth With Vision members were working on. He also stayed and did some teamwork activities with the students. Grant was personable, fun and right on point with what we were looking for!

Thank you for bringing your professionalism, talent and motivating skills to the table!

Sincerely,

Ryan Leigh McElhaney
